

Sign the petition for a Union Pearson Line for All

We call on the Province and Metrolinx to make Toronto's Union-Pearson line an affordable, clean, public train line that all of us can use. The Union-Pearson line should run frequent service, be priced at TTC-level rates and accept fare transfers, have more stops, and use electric trains, not dirty diesel trains.

NAME (please print)	ADDRESS (including Postal Code)	PHONE	EMAIL (please print)	Yes, I want you to keep me informed on issues related to transit!
